# Fees & Payments

## Fees

The pricing for your session will be forwarded to you in a proposal. The following fees are for additional items:

- No show/last minute cancellation (less than 24 hours) - \$100 re-booking fee
- Re-takes (re-recording after primary tracking has been completed) - \$50 per hour
- Equipment setup for re-takes also \$50 per hour
- Preparation of files to be archived or sent to another studio - \$50 per hour
- If a credit card will be used, a 3.6% fee will be added to the price

## Payment

- A 50% deposit is required to book a session
- The remaining 50% will be due at the start of the session
- Acceptable payment formats include PayPal, Venmo, Zelle, or credit card

## Mastering

- PBP can master your tracks using software-based "in-the-box" methods
- If traditional hardware (outboard gear) methods must be used, PBP can recommend a mastering house; be prepared for higher fees from these engineers
